1 Homepage

The initial homepage will be the Blog's dashboard page where all existing blog posts will be displayed.

1. First thing is this dashboard page will be visible to any user without registration/sign-in
2. Secondly, only "275" characters of the blog will be displayed in this view, rest will be truncated, and users need to sign-in to read the full blog post.

Home		Sign In		
<h3>Welcome Guest</h3> <p>** Sign in to read the blog in details**</p>				
Author	Category	Blog	Read Count	Rating

2 Sign In

Once user clicks on '[Sign In](#)' on the Homepage, user will be presented with a Sign-In form

Sign in

Username or Email [New here? Register.](#)

Password [Forgot your Password?](#)

Remember me

Retype Password

4 User Page

Once you login as a registered user, you can view the same Blog's dashboard page where all existing blog posts will be displayed.

HOME		Admin	Sign Out	Create Blog	My Blogs
WELCOME ADMIN					
Author	Category	Blog	Read Count	Rating	

- Here users will be able to read the full blog post without any truncation by visiting the detailed blog post
- Reading other’s blog will increase the ‘Read Count’ of the blog
- Users will be able to ‘Rate’ and ‘Comment’ on other’s blogs

5 Create Blog

Registered users will be able to create blogs.

- Choose the category of the blog from the dropdown of predefined categories.
- Write the blog content which supports all HTML tags for layout designing.

The screenshot shows a web interface for creating a blog. At the top, there is a navigation bar with links for 'HOME', 'Admin', 'Sign Out', 'Create Blog', and 'My Blogs'. Below the navigation bar, the text 'WELCOME ADMIN' is displayed. The main content area is a light gray box containing a form. The form has two main sections: 'Select the Category:' with a dropdown menu, and 'Blog Content:' with a large text area. Below the text area is an 'Insert' button.

6 Update and Delete Blog

Users will be able to update/delete the blogs written by them only.
They will not be able to modify blogs written by a different user.

The screenshot shows a web application interface for managing a blog. At the top, there is a navigation bar with links for "Home", "Admin", "Sign Out", "Create Blog", and "My Blogs". Below the navigation bar, the text "WELCOME ADMIN" is displayed. The main content area is divided into two sections: a grey sidebar on the left labeled "Blog Content:" and a larger white area on the right labeled "<Existing Blog Content>". At the bottom of the main content area, there are two buttons: "Update" and "Delete".

7 User Profile

Signed In users will be able to update their details here.
